1 Competition and competition prizes

On the occasion of the 30th anniversary of KBL GmbH and as part of our open-house event from 30-31 March 2023, we are holding a draw for one K7S VitaSun with light art banner, worth €44,295 (list price) ex works (grand prize). The light art panel will have a motif specifically for the 30-year anniversary of KBL GmbH. The winner will have the opportunity to order a new motif of their preference every three months and to replace the banner free of charge. In addition, we are holding a draw for further prizes with a total value of approximately €49,000 (second prizes).

2 Participation in the competition

Eligible to participate are all studio operators based in Germany who have been invited by the organiser to the open-house event from 30 March 2023 to 31 March 2023 and are present via a legal representative.

Studio operators are exclusively considered to be those who are not dealers in products or similar products that the organiser sells.

Each studio operator receives a ticket. With this he can participate once in the draw for the grand prize and once in the draw for the second prizes.

The tickets are not transferable.

The invitations include the tickets and are sent by post.

If a studio operator has not received a ticket, he can also obtain one on site; registration online in advance is required for this. www.megaSun.de/kblopenhouse-anmeldung.

Participation in the competition must be declared by submitting the ticket no later than when entering the event. There is no legal entitlement to participate. The organiser is entitled to exclude any individuals from participating without giving reasons.

The organiser's employees and close relatives are excluded from participating.

3 Procedure

The draw is held in three stages.

The grand prize will be drawn once (draw on 31 March 2023).

The second prizes (sunny extras) will be drawn twice (one draw on 30 March 2023 and one draw on 31 March 2023); however, it is only possible to participate in one draw for the second prizes.

The draws are held at the organiser's registered office.

All the winners will then be notified by email.

3 Miscellaneous

KBL GmbH will not be responsible for the transport and installation of the grand prize and this is the responsibility of the winner. The handover will take place only at the organiser's registered office. If no handover occurs within a reasonable period of time, the prize may be transferred to other participants.

The prize will be handed over exclusively to the winner and the prize cannot be transferred to another individual. Any exchange and payout in cash for the prize are not possible. If necessary, the recipient is himself responsible for paying taxes on the winnings.
