

PRICELIST · SEPTEMBER 2024

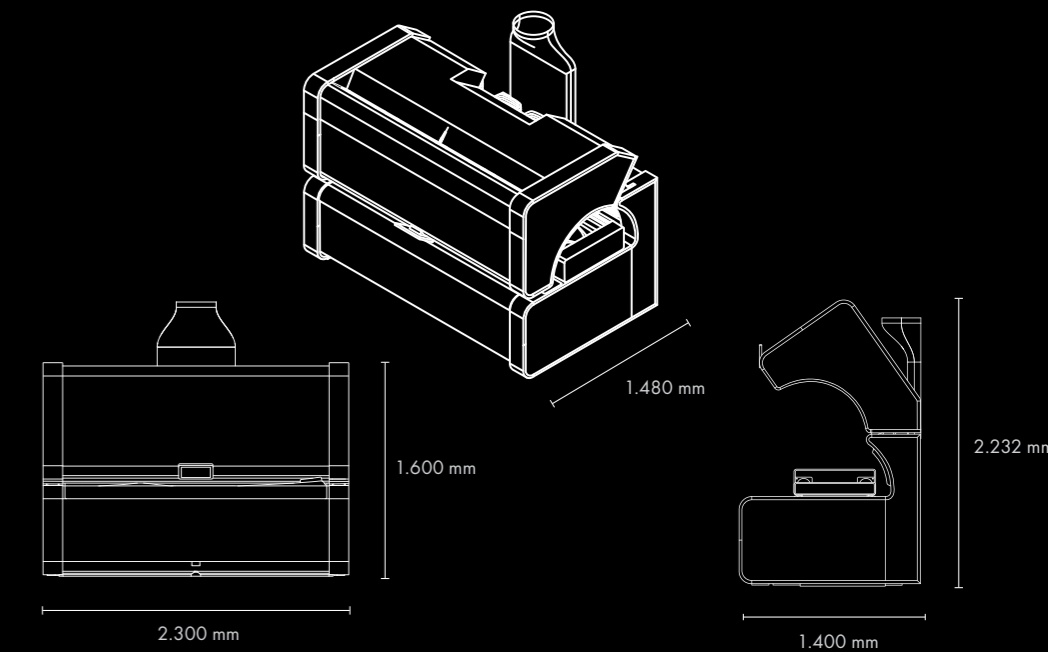

SERIES

LUMINOUS.
EFFICIENT. DYNAMIC.

With the K7 KBL build the foundation of the K-Series. Captivating design and innovative technologies lead the way for the newest top model K9S. SunSphere Pro marks a great leap into the future for KBL. The premiere of UVB-LEDs in a solarium phases out conventional T5 lamps in the face and décolleté area. K9S is the complete package.

Dimensions

	(Length x Width x Height)
Closed:	2.300 mm x 1.480 mm x 1.600 mm
Open:	2.300 mm x 1.400 mm x 2.232 mm

SUNSPHERE PRO

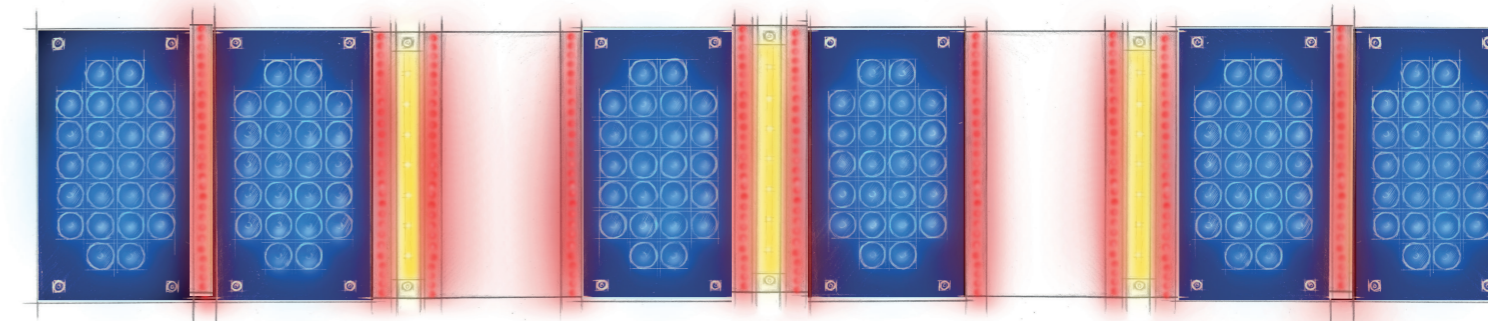

THE WORLD'S FIRST FULL LED-FACIAL WITH UVB-LEDs.

NEW!
SUNSPHERE PRO
OPTIMIZED
PERFORMANCE

SPECTRAL-UPGRADE

The new and improved version of SunSphere Pro is designed for maximum direct pigmentation. Using a spectral adjustment, the new system achieves a 30% increase in performance and ensures even more tanning performance in the facial and décolleté areas.

AN LED-TECHNOLOGY MORE INDIVIDUAL THAN EVER

PIGMENT DARKENING

144 UVA LEDs with aspherical lenses

A beautiful tan - just the way you like it. 144 blue UVA-LEDs guarantee the optimum amount of direct pigmentation provided to the face and décolleté.

VITAMIN D

21 UVB LEDs

The 21 yellow UVB-LEDs achieve an optimally balanced build-up of pigment and vitamin D. A completely new tanning sensation.

COLLAGEN - BUILD UP

850 Nano Beauty LEDs

BeautyBooster Pro care for the face and décolleté while tanning and stimulate the oxygen supply in the skin. For a stunning complexion and a velvety-soft skin feeling.

EFFICIENT PERFORMANCE INCREASE

SunSphere Pro
Facials

Compared to the proven SunSphere LED technology that provides ideal illumination in the K6S, K7S and P9S the SunSphere Pro technology in the K9S achieves an even better tanning performance.

LIGHTSELECT

Strong design meets innovative technology.

A mesmerizing combination of form and light, creates a whole new feeling of ultimate relaxation during a short holiday. The UV spectra, which are perfectly adjusted by KBL, stimulate vitamin D formation, caress the skin with red light, strengthen the immune system and give a natural tan. It's your choice.

FRUIT GUMS K-SERIES

49,99 €*

3D Soundbar: Brings a spatial sound with crystal-clear highs, powerful mids, and rich bass into the tanning tunnel.

7" SmartControl: Inside the tanning bed, all settings can be quickly and easily adjusted via a touch display during the tanning session.

10" SmartControl: For a relaxed tanning experience, all tanning settings can be adjusted outdoors. Easy access to maintenance and service settings for operators.

Air Condition: The high-performance air conditioner guarantees a pleasant cooling sensation during the tanning session.

Aqua Cool: Refreshing and revitalizing Aqua-Cool-mist from two special, drip-free jets.

Aroma: The air can be aromatized during tanning on request.

AirBreeze Body: Provides individually adjustable, draft-free cooling in the tanning tunnel.

AirBreeze Face: In the area of the décolleté and face, the airflow can be directed in any direction thanks to adjustable air nozzles.

AirBreeze Feet: Separately controllable foot ventilation for homogeneous cooling.

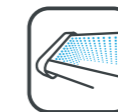

Bluetooth: Simply connect the smartphone with the solarium via Bluetooth. And listen to a personal playlist while tanning.

BeautyBooster Pro: Evenly distributed across the body, red Nano Beauty LEDs provide gentle skincare for the face, décolleté, and body.

Ethernet: The Ethernet connection provides networking capability that can support not only software updates but also remote diagnostics and additional features in the future.

Infinity Mirror: One of the highlights of the K-Series is the Infinity Mirror. Light effects create a sense of depth that seems to extend to infinity. A magical illusion that never fails to fascinate from any angle.

KBL 8: The heart of the K-Series is the completely new electronics. It has been entirely redeveloped and sets a totally new standard for future-oriented technology.

Light Select: Number of low pressure lamps. Option to select (if available) one of the perfectly balanced spectral combinations: vitaSun, hybridSun, extraSun, smartSun, beautySun and pureSun.

VoiceAssist: A pleasant voice guides quickly and easily through the solarium's operating functions. Wellbeing is guaranteed right until it's time to say goodbye.

pureFacial System: Facial tanner with specially coated filter glasses and glass reflectors. Maximum tanning comfort for face and décolleté.

SunSphere Facials: A quantum leap in the field of spectral technology ensures perfect tanning results and a beautiful complexion.

SunSphere Pro Facials: The SunSphere Pro concept builds upon the existing LED technology and achieves an even better tanning performance with its integration of specially developed UVB LEDs and Nano Beauty LEDs.

SunSphere Shoulders: High-performance LEDs and aspherical glass lenses deliver incredible performance in the shoulder area.

Video Player: Tutorials guide your customers into a shortbreak and you have the option to import customized videos with advertising messages.

Wireless Charging: Simple, cableless charging of all suitable smartphones during tanning sessions.

WebRadio: Additionally select the option in the music menu to listen to online radio stations during tanning.

WLAN: Through the Wi-Fi connection, there is networking capability that can support not only software updates but also remote diagnostics and additional features in the future.
